

Kindergarten News

Happy Catholic Schools Week! Our theme is Faith, Academics, and Service.

St. Rita's School
Issue 18
January 30, 2012

Here is what we learned last week in Kindergarten:

In Language Arts we learned about the letter R. We learned the sound it makes and how to write it.

In Math we learned about numbers 21-30. We have been working hard to count to 30, recognize and write numbers to 30, and order numbers from least to greatest.

In Religion we learned that God gives us signs of his love, Jesus is his greatest sign, and we learned we can be signs of love like Jesus.

In Social Studies we learned about time. We also learned about Chinese New Year.

In Science learned about sounds. We learned we can describe sounds as loud and soft.

We were blessed to have the Bike Man, Mr. Chris, teach us about living a healthy lifestyle. We learned we can be healthy by exercising for at least 20 minutes a day, eating right, and drinking water.

Have a blessed week,
Mrs. Farinas
