

Kindergarten News

Last week in Kindergarten:

Last week in Kindergarten we began our academic studies! The children seemed fully prepared to begin learning all that our Kindergarten curriculum has to offer, and they were very successful!

In Language Arts we learned the letter C. We learned the sound it makes, words that begin with C, how to write it, etc. Please reinforce these concepts at home this week.

In Math we learned about positional

words. We learned: in, out, above, below, under, over, left and right. The concept of left and right can be a tricky one so use it often at home in your everyday conversations (ie: "Can you go get the plate on the right of the counter?")

In Social Studies we learned that school is a place full of leaders and teachers, and we discussed the many different things we learn at school.

In Science we discussed what it means to

be living and non-living.

In Religion we learned about our Religion corner of the classroom, how to make the sign of the cross, and God's creation of the daytime and nighttime sky.

Sincerely,

Mrs. Morrow

St. Rita's School

Issue 3

September 26th, 2011

Service Hours:

No new service hours this week!

Reminders:

- Picture Day is this Wednesday September 28th. Because this is our P.E. day, **I am asking that all students come to school in their regular uniform, and bring their P.E. clothes to change into.** With this being said, it is very important that all pieces of both uniform be labeled with your child's name. If they are not labeled, they are more likely to be lost or taken home by another student.
 - Our school is collecting box tops. Please send them in as often as you like!
 - As a reminder, gray folders will be sent home to all students. However, only the oldest sibling will receive The Passport. Every gray envelope will have my newsletter and should be signed and returned Tuesdays.
-
