

Kindergarten News

We celebrated Clarisa's birthday on Tuesday. Hope you had a wonderful day, Clarisa!

St. Rita's School
Issue 20
February 13, 2012

Here is what we learned last week in Kindergarten:

In Language Arts our letter of the week was M. Our sight word was "have," and we learned that nouns could be people, places, or things.

In Math we practiced counting to 100 by 2s, 5s, and 10s.

In Religion we celebrated being God's children. We learned that God will love us no matter what and that love is not something we have to earn. It is given freely. We also learned that Jesus is our friend and welcomes new friends!

In Social Studies we learned about meeting needs. We learned that needs were met differently long ago. For example, people grew vegetables and sewed their own clothes, but today most people go the store.

In Science we learned light. We learned about lights outside and inside homes.

Have a blessed week,
Mrs. Farinas
